

There are a lot of moving parts involved in pursuing reimbursement of MVA claims. Let us do the heavy lifting.

By utilizing a specialized RCM outsourcing firm with the expertise and resources to get the job done right, hospitals are positioning themselves for success.

We are here to help.

Motor Vehicle Accident (MVA) claims are complex, time consuming, and the cost to collect often makes these accounts unprofitable unless handled correctly. .

These accident claims are among some of the most difficult to navigate, and hospitals often find their internal staff lacks the expertise to fully process these burdensome accounts. The odds are stacked against the provider, because almost all such claims involve legal issues unrelated to the care of patients.

We have the ability to optimize reimbursement, due to our broad understanding of the challenges facing all parties involved. From state lien laws to coordination of benefits, our team of experts focuses on the details of these nuances for the provider.
